LETTER FROM PRETORIA

Houslon Lady Receives Interesting News from the Transvaal.

GOD WITH US" IS THE BOER MOTTO

And They Believe in Its Truth-Boers Are Confidently Expecting Victory-British Losses.

Mrs. N. G. Wyndelts of this city is in receipt of a letter, dated December 16, from her son-in-law, Mr. Herman Witzenburg, who writes from Pretoria in a very that have recently transpired in the Cransvaal, Mr. Witzenburg was educated eral years ago. He is now in the service of the postal department in the Transvaal. The letter was written in Dutch and was translated here by Mr. J. Wyndlets, a brother-in-law of the gentleman who wrote it. Mr. Witzenburg used a typewriter, which shows that modern methods prevail at least to some extent in the South Africa republic. Following are some extracts from the letter:

We are in no danger here, for Pretoria situated in the center of the Transvasi. d the lighting is all in the singlish col-

The success of our arms is, in one word, plendid-better than any one could have nuclpated. In the past week there has been three heavy fights, one at Stormberg, where 600 English were captured; one at Modder river, where 2000 English one at Modder fiver, where 2009 English were littled, and one vesterday at Chienso, where also a couple of thousand English were killed and ten of their large cannot were captured, with thirteen ammunition wagons and 118 prisoners. Against this, on our side, in the three fights, the losses in dead and wounded do not count 100. Or all this we do unk see anything ex-Or all this we do not see anything ex-opt the prisoners as they go through, and the wounded who are sent to the hosand the wounded who are sent to the hospital. Pretoria is nearly deserted, as everyhold is at the front. I was so anxious to go along, but could not get permission because the private secretary of the pastmaster general desired to keep my with him, and I am now acting secretary of the general postofice. Very nice, but not to nice as to be at the seat of war, all my sequalitances are in the front and this is enough to work one up. White I am writing the military funeral of Dr. Wohls of the artillery who was killed Wohls of the artillery who was killed write binding the wound of a cannouler, is passing. This is, of course, to be expected as the result of war, where the wilning out of the republic is at stake. It is awful, but, thank God, the heavy

"God with us is the motio of the Afrikanders of the whole of South Africa, and the results have proven that He is with us. All our efforts have been rowned with blessing. The English were showed down as they have perhaps not been since the days of Tromp and do Hutter, and their chance to bring us into subjection grows less day by day, and what fighting, where, at the most a couple thousand of our men stand against an ny of 10,000 or 12,000 of the best of the English army, armed with a gress num-ber of the best cannon from Europea whereas on our alde we only have a few. But what can stand against the love of liberty of a strong people, such as the Afrikanders, used to all manner of bard-ships strong of body, splendid cars and who never miss the mark with the

third shot. Wherever the English bave dared to make a strong attack their dead have been piled up, whole regiments falling under the rifle fire of the Boers. But they have

Ing Memory Wesk

Eyes, Studied Development Lack of Energy Impoverished Originest Interest India up, whole regiments failing under the effect of the Boers. But they have deserved it and are getting the reward for their arrogant over-confidence. From this war on the name Englishman will be the same as I understand it is in America: they will be ashamed to be sailed English. Our people are so peaceful and have allowed themselves to be morthled to the same as I understand it is in America: they will be ashamed to be sailed English. Our people are so peaceful and have allowed themselves to be sailed English. Our people are so peaceful and have allowed themselves to be sailed English. Our people are so peaceful and have allowed themselves to be sailed English. Our people are so peaceful and have allowed themselves to be sailed English. Our people are so peaceful and have allowed themselves to be sailed English. Our people are so peaceful and have allowed themselves to be sailed English. Our people are so peaceful and have allowed themselves to be sailed English. Our people are so peaceful and have allowed themselves to be sailed English. Our people are so peaceful and have allowed themselves to be sailed English. Our people are so peaceful and have allowed themselves to be sailed English. Our people are so peaceful and have allowed themselves to be sailed English. Our people are so peaceful and have allowed themselves to be sailed English. Our people are so peaceful and have allowed themselves to be sailed English. Our people are so peaceful and have allowed themselves to be sailed English. offers THIS ELECTRIC BELT at HALF PRICE to those who have used the old-style Belts.

BELT ON

ERE, men; here, women, is an appliance which will pour the fire of youth into your blood while you sleep. It is the greatest invigorator known today: it gives a soothing, glowing warmth into the weak nerves and organs and develops in your body the highest standard of manhood and womanbood.

As Good for Women as for Men, Cures While You Sleep. No horrible burning or blistering, as from old-style belts, but a soothing, gentle warmth, which you feel as it courses like the blood of life through your veins and fills you with youth all energy. My Belts have my own patent regulator and special cushion electrodes, which give the full benefit of the current without burning or blistering.

TRADE YOUR OLD BELT.

I will take in any electric belt of the burning kind as balf payment on one of mine for a short time, for the pur-pose of proving the superiority of my modern appliance. Trade it in now if it burns you. Electricity is the grand-out remedy on earth, but it is worthless unless you can master it. I have it under control.

READ MY FREE BOOK.

Call, if possible, and make a personal test of my Belt, free, and let me explain wherein it is the best electric body appliance made. If you can not call? write this moment for my beautiful 80-rage book, full of honest matements and good news to weak men and women. I send it, closely scaled, free.
